

---

**EXTERIOR**

---

**A majestic form which boasts an overmastering presence. This form makes a powerful impression on the beholder.**

---

**Front Design**

---

**The impressive front design portrays a dynamic beauty and sense of presence.**

- Large, upsweeping, asymmetrical headlight units create a distinctive front visage.
- Refined front grille offers the appeal of true LEXUS identity.
- Muscular front fenders create dynamic, strong-presence styling.
- Large, sculpted front bumper shows both strength and luxury.

---

**Rear Design**

---

**The rear design is wide and filled with a sense of composure and dignity.**

- Traditional 3-stage rear combination lights indicate high quality.
- Large and muscular rear bumpers convey distinctive rear visage.
